*Our vision is to be a church that is welcoming, inclusive and vibrant
and which celebrates its diversity;
a church which is growing in faith and fellowship, committed to sharing
the Gospel with the community we serve*

Please keep in your prayers this week:

*Those in parts of the country who are living under more restrictions,
those who are sick in body mind or spirit,
those who are worried about a loved one,
the recently departed, and all who mourn, especially for those whose
funerals we will take over the next few days.*

All who are in Cheshunt Team Ministry, particularly as we support St James'.
